

## Single Review - Fraser - Lay It On The Line

Hailing from Malta via London and Guildford, Fraser Gregory has spent some serious time honing his craft as a songwriter, and this beautiful slice of contemporary indie-pop stands as a great testament to his skills. With strong catchy melodies and warm engaging vocals backed up by an excellent pop arrangement, fans of radio-friendly guitar music will be hard pressed to find anything not to like about Fraser's music. Give it a few listens, and this song will quickly become the soundtrack to your new year. So go buy it! &nbsp; Click [here](#) for Fraser's Myspace page and all the information you could need, and remember to check them out live at The Boileroom in Guildford on the 21st Jan. &nbsp;
