

GigReviewer Gigs - 30th April 2010 @ RSVP, Camberley

This will be a fantastic event for GigReviewer Gigs... RSVP in Camberley, based on the London Road where no-one can miss it, will be opening its club doors once again with their first gig in this venue - hosted by us! We were opening with 'Early Morning Emily', from the local area who have now unfortunately split, so we are now on the hunt for a replacement acoustic opener. 'Rubric' have been approached to play this next slot, but this is still yet to be confirmed, so all we can do at the moment is hope! 'Hey, I'm A Movie Star' will also be bringing some liveliness to the night with their punk / rock stylings before the night plans to go heavier... 'Orestea', as previously reviewed by GigReviewer.com, are bringing the evening up to code before 'Karn8' really kick the evening out with style (thanks to Wicked Boy Promotions!) To finish the night off, DJ Rob Lynn will continue the hard-rock sounds with a rockclub on into the night to keep everyone alive to kick off their MayDay weekend! To top all of this off, the bar will be hosting a student night for cheaper drinks all night long! Entry will be &#pound;4 before 10pm, and &#pound;5 after to stay on through the club night... When all bands are confirmed the advertising will properly begin...! See you all there, and if you are interested in playing one of our gigs please [contact me!](#)
